

Maiden Guwahati office visit of Shri Jai Shankar, Managing Director, NETC

Shri Jai Shankar, Managing Director (MD), NETC has visited Guwahati Site Office Complex on 29.04.2025 upon assuming charge as Managing Director of the Company. During his maiden visit, MD, NETC has reviewed the O&M activities of the line along with ongoing project works. He shared his valuable insights about the best practices in asset maintenance and system improvement techniques. He had also reviewed the status of tower/line materials kept at Guwahati Office Store such as tower parts, conductors, earthwire, hardware fittings, insulators etc. Further, MD, NETC had also reviewed the establishment of Guwahati Office Complex.

MD, NETC has also interacted with employees of all the site offices through a video conference on dated 30.04.2025. During the interaction, MD, NETC has reviewed all the O&M/ Site activities, role & responsibilities of each employee. All the site employees informed about their work experience and expertise and have expressed their immense interest for inhouse O&M of the line. All employee of NETC unanimously requested MD, NETC to consider taking over Byrnihat-Bongaigaon transmission line in the first phase and progressively, the entire Palatana-Bongaigaon Transmission Line.
